We would love to have you feel so at home here that you would allow us to “adopt” you and make you part of this wonderful fellowship called the Marsing Church of the Nazarene. We sincerely hope that you enjoy your visit with us. And please come again soon.

POINTS TO PONDER

THOUGHTS ON THE CROSS

“The fact that a cross became the Christian symbol, and that Christians stubbornly refused, in spite of the ridicule, to discard it in favor of something less offensive, can have only one explanation. It means that the centrality of the cross originated in the mind of Jesus himself. It was out of loyalty to him that his followers clung so doggedly to this sign.”

– John Stott

“The world takes us to a silver screen on which flickering images of passion and romance play, and as we watch, the world says, “This is love.” God takes us to the foot of a tree on which a naked and bloodied man hangs and says, “This is love.”

– Joshua Harris

“We sinned for no reason but an incomprehensible lack of love, and He saved us for no reason but an incomprehensible excess of love.”

– Peter Kreeft

“Any discussion of how pain and suffering fit into God's scheme ultimately leads back to the cross.”

– Philip Yancey

“Before we can begin to see the cross as something done for us, we have to see it as something done by us.”

– John Stott

“And now brothers, I will ask you a terrible question, and God knows I ask it also of myself. Is the truth beyond all truths, beyond the stars, just this: that to live without him is the real death, that to die with him the only life?”

– Frederick Buechner
